

## CURRICULUM VITA

Nasrin Omidvar  
#7, Hafezi St., Farahzadi Blvd.,  
Qods town, Tehran, Iran Zip Code:1981619573  
E-mail : omidvar.nasrin@gmail.com  
Voice: 9821- 2285 8526, cell: 98-0912 533 0191

---

### A. EDUCATION

- 2017 Visiting fellow, McGill University, Montreal, Canada
- 2011 Visiting fellow, University of Wollongong, Australia.
- 2004 Certificate on Improving health communication strategies in control and prevention of micronutrient malnutrition by WHO/NNFTRI, Tehran, Iran.
- 2002 Ph.D, Nutritional Science, School of Public Health and Nutrition, Tabriz University of Medical Sciences, Tabriz, Iran. Dissertation title: Psychosocial determinants of food choice in adolescents in the city of Tehran.
- 2000 Visiting fellow, UCLA School of public health, USA.
- 1993 Certificate on Breastfeeding Counseling by WHO/UNICEF, Tehran, Iran.
- 1992 Certificate on Research Methods, by Shahid Beheshti University of Medical Sciences, Tehran, Iran.
- 1990 R.D., Registered dietitian, by the American Dietetic Association.
- 1989 M.Sc., Nutrition Science, California State University, Long Beach, USA.
- 1979 B.Sc. Nutrition Science, College of Nutrition Sciences, Shahid Beheshti University of Medical Sciences, Tehran, Iran.

### B. MAJOR FIELD

Nutrition behavior and communication, Methodology of nutritional assessment, adolescent nutrition.  
Nutrition intervention planning.

### C. EMPLOYMENT

- 2021—present **Department Chair**, Coordinating the department educational and research activities.
- 2021-present **Associate Professor**, Full-time faculty member, School of Nutrition Sciences and Food Technology and National Nutrition & Food Technology Research Institute, Shahid Beheshti university of Medical Sciences, Tehran. Coordinating the department research and education activities.
- 2017-present **Short-term consultant** with FAO Rome, International expert consultation on “School Food and Nutrition Education: Healthy Diets, Sustainable Food Systems and Behavior Change.
- 2016-present **Professor**, Full-time faculty member, School of Nutrition Sciences and Food Technology and National Nutrition & Food Technology Research Institute, Shahid Beheshti university of Medical Sciences, Tehran: Teaching undergraduate and graduate courses and conducting research projects.
- 2015-2019 **Short-term consultant**, with Tehran UNESCO office: Development and pretesting a simple booklet for low literate adults on nutrition and water management.
- 2008- 2016 **Associate Professor**, Full-time faculty member, School of Nutrition Sciences and Food Technology and National Nutrition & Food Technology Research Institute,

- Shahid Beheshti university of Medical Sciences, Tehran: Teaching undergraduate and graduate courses and conducting research projects.
- 2007-2009 **Department Chair**, Coordinating the department educational and research activities.
- 1991-2008 **Assistant professor**, Full-time faculty member, School of Nutrition Sciences and Food Technology and National Nutrition & Food Technology Research Institute, Shahid Beheshti university of Medical Sciences, Tehran: Teaching undergraduate and graduate courses and conducting research projects.
- 10/89-1990 **Public Health Nutritionist**, Hubert H. Humphrey comprehensive Health Center, Los Angeles: Organizing and conducting nutrition education and counseling sessions.
- 1/89-8/89 **Dietetic Intern**, St Francis medical Center, The American Dietetic Association requirement for registration examination.
- 1988-1989 **Volunteer Research assistant**, L.A. County Department of Health: Studying existing information's on nutritional status of young children enrolled in Child Health Disability Prevention Program (CHDP).
- 1983-1986 **Dietitian**, Takhti Pediatrics Hospital, Tehran: Planning hospital menus, menu modification, and patient education on therapeutic diets.

I have also served as WHO-EMRO short term consultant in several projects and educational programs and workshops. More detail can be provided as needed.

#### **D.HONORS, AWARDS**

- 1999 National first prize winner of Ph.D. students in Medical sciences in Iran.
- 1999 Second prize winner of 5th Razi Research Festival, as co-investigator of the project entitled: Evaluation of Interventions for Reduction of Iran Deficiency Anemia in 15-49 year old women in Marand District, East Azarbaijan.
- 2001 Third prize winner of 8th Razi Research Festival, as the nutrition investigator.
- 2005 "Best researcher" award by Research affairs, Shahid Beheshti University of Medical Sciences.
- 2010 Sight and life, Excellence in Research Award.
- 2011 "Best researcher" award by Research affairs, Faculty & National Nutrition and Food Technology Research Institute
